

**10th Annual
Tennessee Herpetological Society
Meeting at Maryville College**

- ◆ **Please mark your calendars for October 7-9 2004 for the 10th Annual TN Herpetological Society meeting at Maryville College in Maryville, TN.**
- ◆ **This meeting is open to anyone with interest in amphibians or reptiles.**
- ◆ **Registration: \$15 (student registration is waived).**

Call for Papers

- ***If you are interested in presenting please submit your title and abstract (up to 200 words) to Ben Cash (see registration form for mailing address) on or before 1 OCT 2004.***
 - ***20 min oral presentation (15 min + 5 min for questions).***
 - ***Posters (up to 3' x 6' stand-alone).***

The 10th annual meeting will feature familiar THS traditions including the Auction and will also feature a bar-b-que social (\$10) Thursday evening (7 Oct). We are honored to have Dr. Carlos Camp from Piedmont College, GA as our keynote speaker this year. Carlos has contributed a significant amount to our understanding of the herpetofauna of the Southeast and will speak about conserving plethodontid salamander diversity.
